

Benito Nacif

Electoral Councillor of Mexico's National Electoral Institute (INE). He has been professor and researcher at the Division of Political Studies of the Center for Research and Teaching in Economics (CIDE). Nacif is member of Mexico's National System of Researchers (SNI), and author of several works. He served as Local Citizen Councillor (2005) and District Citizen Councillor (2000 – 2003) for the then Federal Electoral Institute (IFE), for which he was elected as Electoral Councillor, in 2008, by the Chamber of Representatives.
