## Crystal Patterson

Global Civic Partnerships Manager at Facebook, where she leads global tech partnerships focused on civic engagement, as well as the company's engagement with U.S. advocacy groups across the political spectrum. She is a senior level communications and political professional who has more than 15 years of extensive experience in strategic communications, including earned and paid media, new media, social networking, rapid response and crisis communications, as well as fundraising and development communications, polling, research and activist engagement. Prior to joining Facebook in 2014, Patterson had been the communications director for the U.S. Congress, managing director with Petel & Co., a political consulting firm, and a strategic communications specialist with the American Federation of State County and Municipal Employees. She is a graduate of Northwestern University.
